## SUMMARY

Dynamic Project Manager with over 1 year of experience in leading cross-functional teams and managing multimillion-dollar projects. Proven ability to implement agile methodologies, resulting in a 20% increase in efficiency and a 15% reduction in delivery timelines. Successfully devised risk management strategies, contributing to a 30% rise in project delivery success. Eager to bring exceptional organisational skills and a results-driven approach to enhance project outcomes.

## WORK EXPERIENCE

### PROJECT MANAGER

11/2023 – Present

SWIPEWIRE TECHNOLOGIES • Chennai, India

- Spearheaded the implementation of agile methodologies to streamline project timelines, resulting in a 20% enhancement in overall efficiency and a 15% reduction in delivery time.
- Directed cross-functional teams to successfully deliver five major projects, each with budgets exceeding \$1M, whilst ensuring strict adherence to quality standards and timelines.
- Formulated and executed a comprehensive risk management strategy, culminating in a 25% decrease in project risks and a 30% increase in successful project deliveries.

### DATA ANALYST

03/2022 – 11/2023

Hemmershbach india pvt ltd • Bangalore

- Conducted extensive data analysis tasks, integrating large volumes of structured and unstructured data from diverse sources including SQL databases, CSV files, data warehouses, and Excel files.
- Utilised the Pandas framework to perform advanced data cleaning operations, handling missing values, reducing noise, detecting and managing outliers, and imputing null values using a variety of robust techniques.
- This rigorous process ensured data integrity and prepared high-quality datasets for insightful analysis and decision-making.

## JUNIOR DATA ANALYST

12/2020 – 03/2022

Shri Kshethra Dharmasthala Rural Development (SKDRDP) • Bangalore

- Conducted thorough data understanding by exploring the structure, variables, and potential issues of datasets before engaging in analysis.
- Adhered to best practices in coding and analysis, including maintaining clear and well-documented code, consistent variable naming, and proper data handling.

## DATA ANALYST TRAINEE

09/2019 – 11/2020

MagicBase Royal Analytics • Bangalore

- Established a strong foundation in essential technical skills, focusing on programming languages like Python and data manipulation with libraries such as Pandas, as well as data visualisation using tools like Matplotlib and Seaborn.

## EDUCATION

### B.B.A/B.M.S - Finance

02/2016 – 07/2019

Mysore University • Mysore

### XIIth - PCMB

03/2014 – 04/2015

English • Bagepalli, India

### Xth

01/2010 – 04/2011

Kannada • Gulur, India
